Garda Vetting in our Parish

The National Vetting (Children and Vulnerable Persons) Act 2012 makes it a legal requirement to vet those involved in work or activity, where they will have regular access to or contact with children or vulnerable adults.

The information sheet has been developed to verify the identity of those applying to the Garda Vetted as required by the Act. When conducting Garda Vetting, volunteers or workers are required to present identification totalling 100 points to ensure they are checking the correct person. At least one form of photographic evidence must be gathered.
