## The Parish Cell Seminar

Our parish welcomes delegates to the Cell Seminar which takes place on **Friday - Sunday 23rd, 24th and 25th September.**

The Cell Group is established in this parish for over 25 years. For those unfamiliar with what the Cell Group means:

Cells are groups of parishioners who meet monthly to pray in their homes. They give time to reading and thinking through the Gospel of the nearest Sunday (to the meeting). There is some singing and, importantly, praying for all the parish especially those who are ill.

If you would like to join us please see details on notice boards in the church.

*Please pray for all attending.*

**Weeks of Guided Prayer** are being offered this year to Parish Groupings. This way of making a retreat can help people to experience the gospel speaking to them in their everyday lives. A week of guided prayer can nourish the faith of the individual and help build faith communities. Some weeks during the month of October are available on a first come basis. If you are interested in finding out more contact Sr Éibhlís NicUaithuas DC in the Office for Evangelisation and Ecumenism [guidedprayer@dublindiocese.ie](mailto:guidedprayer@dublindiocese.ie) Tel **01 8087550**.
