## Toilets in the Church : Below is the Architect's plan

As you are aware it is proposed to upgrade the existing toilets to meet current building regulations.

There will now be a separate disabled and baby changing area in one room and the second room will have two cubicles, each with its own hand basin.

Notices have been published inviting tenders from competent/tax compliant contractors.

The architect's plan can be viewed on the blue notice board at the Twinning/Padre Pio corner of the church.
