Hundreds of people in our communities are in urgent need of help. For the past number of months, the **Crosscare Food Bank** has not been able to keep up with demand for food from people in need, all over Dublin.

The Food Bank gives food to services for homeless people and young people, to local community food banks and charities. In response to this growing need, we are asking you to bring non-perishable food items to the Church.

**Please give what you can.**

Crosscare will ensure it is received by those most in need at this time.
