JULY STANDING ORDER TRANSACTIONS

The Ulster Bank Dundrum was recently conducting a review of all their customer information and documentation in order to ensure that the Bank is complying with regulatory obligations and legislation.

This Parish submitted all requested forms. The Ulster Bank Head Office sought some clarification from us. That request did not reach the Parish. The result was that the Parish Bank Account was "closed" and all Standing Order transactions received for the first week of July were returned to the Bank of origin (your Bank).

If this has happened to you could we ask you to drop the July Standing Order amount into the Parish Office, in an envelope with your name and address, or, if you have online banking with your bank branch then you send us your payment using the following codes:

BALLINTEER CHURCH ACCOUNT:

BIC ULSB IE 2D

IBAN: IE47 ULSB 9850 55150310 38

Please add your name to assist identification of payment.

The Ulster Bank assure us that our account with them has now been reopened and there should not be any difficulties in the future.
Many thanks for your co-operation. **Fr. Liam**

Faith Development of Adults

The Diocesan Office for Evangelisation and Ecumenism will be offering two key courses beginning this Autumn in Clonliffe College.

Course 1 - Pathways is a two year course on Thursday evenings. September to May 7.00pm - 9.30pm).

Course 2 - Faith for Life is a course which takes place over 4 weekends. One weekend each in October, December, January and March. Both courses are ideal for people already involved in parish life, particularly Parish Pastoral Council members, those in particular ministries, parish sacramental programmes or those who have participated in a Week of Guided Prayer. They are also suitable for anyone who does not attend church regularly, but finds themselves searching and wanting to grow in faith.

Dun Laoghaire Rathdown Co. Council Housing Project at Broadford Rise

Preliminary works are expected to take place shortly for this project. Such works are, resiting of lamp standard, connecting water service under the road near the church and building a boundary wall.

Inconvenience in the area should be at a minimum.

It will be nice to have these houses built for retired people.
